

GERMAN LINES SAG BEFORE RUSSIANS

MUNICH AREA HIT AGAIN BY 1,000 BOMBERS

Crack of Nazi Party Hampered by U. S. Second Day in Succession.

By The Associated Press
MUNICH, July 12.—Around 1,000 heavy bombers attacked the Munich area today in the second day of a series of attacks on the southern part of the Nazi Reich.

The fighters conveyed the German and Liberators to Germany's fourth largest city, a major bottleneck for traffic in the area.

The German communiqué said the result of 1,000 heavy bombers was a "terrible attack."

The city of 325,000 persons lies 25 miles from London as the bombers fly 25 miles from the Alps. It cradles German war industries.

On the eastern and western fronts yesterday Allied fighter-bombers and rocket planes destroyed 28 German tanks and damaged 16 more. This is equal to about one-fifth of the tank strength of a German armored division.

The coup against the enemy army was executed despite bad weather which kept support planes down to a low total of 1,000. The weather continued bad last night and operations for the night were suspended.

Simultaneous attacks by RAF Mosquitos behind the German battlefronts and in the Reich itself. The Mosquitos attacked industrial targets in the Ruhr valley without loss.

Sky fleets totalling some 4,000 planes, including heavy bombers from both Britain and Italy, pounded three vital German targets yesterday—the Munich area, Berlin on the Mediterranean and the Chalon-Vitry area 90 miles east of Paris.

One force last night hit industrial installations in the German Ruhr and others attacked Nazi transport and supply dumps in the Chalon-Vitry area 90 miles east of Paris.

BRITISH ENTER CAEN. British motorcyclists ride along the shell-torn road into Caen, key French city captured by British and Canadians July 9. The Anglo-Canadians are advancing past Caen in the direction of Paris 120 miles away. Caen is the largest beachhead city and the one with the greatest dock unloading facilities of any place yet taken by the Allies. (Associated Press Wirephoto by Signal Corps Radio).

BROWNELL HITS FOURTH TERM

G.O.P. Chairman Says President Uses Military Title To Hang On to Office.

By The Associated Press
ALBANY, N. Y., July 12.—Herbert Brownell Jr., national Republican chairman, today asserted President Roosevelt was using the title of commander-in-chief as "a pretext to perpetuate himself in political office."

Brownell, who was an overnight guest of Gov. Thomas E. Dewey, Republican presidential nominee, was asked, at a press conference for comment on the President's statement that he would "as a good soldier," accept a fourth term nomination.

"Mr. Roosevelt is the first of 32 presidents of the United States to claim that the title of commander-in-chief makes him a soldier and to use that title as a pretext to perpetuate himself in political office," the national chairman declared.

"On Nov. 4, 1940, Mr. Roosevelt made this statement: 'you will have a new president in 1944.' Brownell said, adding: 'When he said that he was right.'"

Brownell said the comment on the President's statement was "my own" but he disclosed he had shown it to Dewey at breakfast in the executive mansion.

The governor, he said, had no comment.

Asked whether he thought Wendell Willkie, 1940 G.O.P. presidential nominee, would support Dewey, Brownell said "I have no comment on that." However, he said, he had talked with several members of the national committee "and others who have been closely associated with Mr. Willkie."

The chairman intimated the Republican drive for votes would be concentrated heavily in the states administered by 26 Republican governors. The 26 G.O.P. states have a total of more than 300 electoral votes, with 266 required for election of a president.

Asked how much would be spent on the Dewey campaign, Brownell said "from \$1 to \$3,000,000," explaining that the latter figure was the legal limit.

Brownell talked with newsmen immediately after completing conferences with Dewey, who was in Albany.

Marion Co. Sees First Signs of Dry Spell's End

The rain that fell in Marion today and gave promise of more to come was the first sign of a substantial break in Marion's long dry spell which started June 3.

On June 2, Harding High school commencement night, 43 of an inch of rain fell and the next day, June 3, another 43 of an inch. This was on June 23.

At 11:15 this morning the rainfall had measured .04 of an inch with a drop in temperature from 75 to 72 since 8 a. m. At noon it had climbed back to 74.

Yesterday's high mark was 96.

The cheerful forecast for Marion is: "Mostly cloudy with thunder showers and cooler to night. Windy and cooler, preceded by thunder showers to night. Thursday, partly cloudy and cooler with diminishing winds."

OHIO DROUTH STILL HOLDING

Local Rains Yesterday Fail To Break Statewide Dry Weather.

By The Associated Press
COLUMBUS, O., July 12.—Thunderstorms last night brought temporary relief to sections of parched Ohio but today most of the state still was in the grip of a drouth that threatened water supplies and brought a sharp scaling down of government crop estimates.

For the second day running, the G.I.s struck at dawn but this time after only slight artillery preparation. They advanced slowly over soggy fields and marshland littered with burned out German tanks, thrown swiftly into the fray. The German intention, a front line dispatch said, had been to press with tanks through the narrow beachhead to Isigny on the sea and this split Lt. Gen. Omar Bradley's front.

On the west coast below La Haye Du Puits, the G.I.s cleared the great forest, Mt. Caestre, to the southeast and obtained a splendid position for another push toward Lessay, three miles away, and Coutances.

Medium and light American bombers intervened explosively in the ground fighting, striking the fuel supplies of Marshal Rommel's tanks and trucks behind the line. They also strafed German reserves moving up to St. Lo and hit a bridge near Paris.

Lessening enemy artillery fire south of La Haye Du Puits indicated the Germans were in retreat before the American onslaught, which had pushed to within three miles of Lessay, enemy coastal anchor, and the whole Nazi flank at Periers was threatened from the east and the south.

Gen. Sir Bernard L. Montgomery's offensive around Caen made little progress and lost ground in some places in fierce fighting.

28 Nazi Tanks Destroyed

The supreme command's communiqué No. 73 announced 28 German tanks had been destroyed and 16 more damaged by air attacks near St. Lo, Hottot and Vimont. Vimont is south of Troarn, which is east of Caen. Field dispatches disclosed 80 Nazi tanks had been destroyed around Caen in 72 hours.

Field Marshal Gen. Erwin Rommel's blazing counterattacks struck everywhere except south of La Haye Du Puits, but the heaviest came at Colombelles, along the river Orne in the Caen sector which the British had captured the day before.

Here the Germans pushed in both tanks and infantry and to the exact positions of the British lines, which at one time reached the outskirts of Faubourg de Vaucelles, remained obscure.

The next heaviest fighting was going around St. Lo, where the Americans had pushed south to within two miles of that Nazi fortress town.

West Flank in Danger

Crack German troops attacked violently and bitter battles resulted. The American push had endangered the whole German western flank from St. Lo to the sea.

The doughboys made their largest gain in a three-quarters of a mile drive south of La Meauffe along the River river, four miles north of St. Lo. It was south of St. Lo that American Thunderbolts caught a German panzer column on the open road and destroyed or damaged 31 armored vehicles.

RAF rocket-firing aircraft accounted for 16 others in heavy fighting around Hottot and Vimont.

British troops forced their way forward for limited gains in the fighting around Hottot, south of Tilly-sur-Seuilles, and the Germans reacted violently.

Only limited gains were made by Lt. Gen. Omar N. Bradley's forces west of the Vire river and south of Carentan, but the threat in these two sectors forced the Germans to withdraw south of La Haye Du Puits toward Lessay.

U. S. ATTACKS FORCE NAZIS INTO RETREAT

Americans Launch Violent Assault on West End of Front; Caen at Standstill.

By The Associated Press
SUPREME HEADQUARTERS ALLIED EXPEDITIONARY FORCE, July 12.—American infantry dug out entrenched Germans at bayonet point within sight of the strategic road center of St. Lo today in another dawn attack while on the Allied left, ferocious enemy counterattacks petered out around Caen. A total of 124 German tanks had been knocked out on the two fronts.

Generally the Caen sector was quiet with the British holding a solid line in the trams-Ordon river salient. They clung to "Crucifix Hill," northeast of Esquay, despite the most violent efforts of Marshal Rommel's 11 divisions to take it. A whole German regiment of up to 3,000 men was liquidated, hundreds were captured.

Foot slogging American First army infantry pushed forward slowly on a 48-mile front below the throat of the Cherbourg peninsula within two to four miles of St. Lo, important provincial capital of 15,000. St. Andre-L'Epine was by-passed, enveloped, then captured.

For the second day running, the G.I.s struck at dawn but this time after only slight artillery preparation. They advanced slowly over soggy fields and marshland littered with burned out German tanks, thrown swiftly into the fray. The German intention, a front line dispatch said, had been to press with tanks through the narrow beachhead to Isigny on the sea and this split Lt. Gen. Omar Bradley's front.

Japs Left in Dark on Place of Next U. S. Blow in Pacific

End of Saipan Battle Opens Way for New Attack; Enemy Strongholds Hit on Wide Front.

By The Associated Press
Pacific Commanders Nimitz and MacArthur blandly left it to the Japanese today to ponder where the next big American smash would fall in the accelerating drive across the Pacific, now that Saipan has been overwhelmed.

Non-communally they hammered at enemy strongholds stretched across the 4,000 watery miles from Ceram to the Kuriles. The smashes, by warship and sea and land planes, aided in consolidating the Saipan and Noemfoor island victories but were too wide for that alone. Tokyo had its fingers out, broadcasting that a very powerful enemy fleet was prowling the waters off Tinian, just south of Saipan. On the latter island U. S. infantry and Marines mopped up, even capturing some Japanese swimming out to sea.

"Enemy raids against our positions around Saipan are increasing in intensity," the Tokyo radio said. Between July 1 and 10, it added, 770 allied aircraft raided Guam, another island in the Marianas group with Saipan. "Some damage was suffered by our side," Tokyo concluded.

The persistent Navy blows against remaining Marianas islands were outlined yesterday by Adm. Nimitz, who listed a warship shelling of Guam and air raids against Pagan island north of Saipan, Paramushiro and Shumushu in the Kuriles north of Japan, and on Truk.

Gen. MacArthur's southwest Pacific forces raided Ceram and Halmahera in the East Indies; Sorong, Maffin Bay, Atape and Wewak on New Guinea, and Palau, Yap, Woleai, New Ireland, New Britain and Bougainville.

Tokyo, fearing the Super Fortress menace, announced 39,000 children had been removed from the city to safer districts.

The Chinese were stemming the Japanese tide endangering Hengyang, capturing Yungfeng 45 miles to the northeast and putting up a stout battle with another force near Liling 80 miles northeast of the strategic rail city. U. S. planes destroyed 50 supply boats and two bridges.

Brig. Gen. Clinton Vincent told his eastern China composite wing fliers their attacks had blunted the enemy drive on Hengyang, making the offensive "so unobtainably costly that the enemy has no recourse but retreat."

In Yunnan Chinese troops were set to assault Tengchong, Lungling and Mangshin, enemy bases controlling a section of the Burma road.

British troops continued chasing the bewildered remnants of two Japanese divisions which had tried to conquer northeast India. A strong enemy force was routed after a two-day battle near Chup.

REDS DRIVING FOR NAZI SOIL BY WEEK-END

Rate of Advance Expected To Carry Armies Into East Prussia in Few Days.

By The Associated Press
MOSCOW, July 12.—The Red army, knocking large new holes in the already sagging German lines, urged westward today from a point less than 48 miles east of the East Prussian border at a pace which, it continued, would carry the fighting to German soil by the end of the week.

(The German communiqué placed "the advancing Soviets" west of Alytus in Lithuania, 51 miles from East Prussia, 33 miles south of Kaunas and within 27 miles of the strategic East Prussia-Riga railway over which two Nazi armies in the Baltic must be supplied in part. Retreats along the whole central front were reported by Berlin. The surrounded Wilno garrison was being supplied by air.)

20 Mile Advance

Gen. Ivan Chernakhovsky's cavalry and tanks drove the spearhead toward East Prussia in a 20-mile advance where the tip of the province known as the Swalk Triangle sticks out north of Grodno.

General advances along the entire 350-mile front between Latvia and the Pripyat marshes swept through more than 400 places yesterday, killing at least 4,000 German soldiers and bringing about the capture of hundreds more.

The new forward sweeps placed the Red army actually within striking distances of Kaunas, 45 miles away; Grodno, 56; Bialystok, 51; and Daugavpils, less than 18. Military observers in Moscow saw a direct threat to Bialystok and Grodno in the strong central blow. Pinsk, at the edge of the Pripyat marshes to the south, already was lost tactically to the Nazis, although resistance continued there.

(As the Russians sped onward, the German radio commentator Kurt Dittmar last night gravely warned the German people that "the supreme test" now has come, since "the distance between us and the battlefield has almost vanished.")

Alarm in East Prussia

(The office of war information quoted the Stockholm newspaper Afton Tidningen as reporting the "highest state of alarm" in East Prussia.

(Afton Tidningen said the Germans had closed the frontiers and mined all approaches, adding that "the people fear Russian paratroopers will land before the actual attack on East Prussia.")

Red army troops streaming toward Kaunas astride the railway west of Wilno engulfed more than 100 communities, including Woronow.

The nearest approach to the East Prussian border came in the Lida area to the south.

The westward advance toward Grodno and Bialystok, both prize junctions on a wide front ranging from Lida, northeast of Grodno, to points southwest of Baranovsk.

The Russians said more than 2,600 Germans were killed on this front yesterday.

On the Finnish front, the Soviets also were moving forward. The daily Moscow communiqué reported capture of several communities north and northeast of Pitkanen, including the railway station of Soyarvi.

NAZIS PUT UP FIGHT IN ITALY

Light U. S. Armored Elements Drive Within Eight Miles of Leghorn.

By The Associated Press
ROME, July 12.—American light armored elements pushed forward two miles along the Italian west coast yesterday in the face of bitter resistance and captured the town of Castiglione, thus bringing the Fifth army to within eight miles of the line of Livorno (Leghorn).

Some eight miles inland, however, American infantry ran into stiff opposition while advancing from Casale toward Pastina, where the Germans showed the utmost determination to delay their progress.

American troops further east also encountered tough going northeast of Lajatico, where the Nazis counterattacked. Here, but they repelled the thrust and Lajatico itself was brought under attack. Late dispatches from the field said the Nazis still were holding out within the town.

In the upper Tiber valley Eighth army troops occupied the villages of Meone Morra and Murignano and cleared 5,000-foot-high Mount Civitella of the enemy.

At the same time allied tanks crossed the Nestore river, upper tributary of the Tiber, and advanced some distance beyond the river. Further east in the Pietralunga area, a German counter-attack caused a slight loss of ground by the allies.

Meanwhile on the Adriatic coast Italian troops were credited with a slight advance in the vicinity of the Musone river and the city of Ancona was brought under artillery fire by the allies, who now are only eight miles away.

In falling back north of the Musone river the Germans gave up the villages of Pettovallone, Troviggiana and Avenale.

Allied armor flew more than 800 sorties yesterday, during which they carried out a heavy bomber attack on the French harbor of Toulon. Enemy communications behind the Italian battlefront also were attacked and fighters carried out offensive sweeps over Yugoslavia and Albania. Four planes were reported missing.

Blaze Carelessly Started Menaces City Power Lines

Fire, apparently caused by a carelessly discarded cigarette along the Marion-Reserve Power Co.'s right-of-way south of the city, and which might have resulted in Marion and the surrounding area being deprived of electrical power, was checked by the timely action of three of the company's employees about 4:30 p. m. yesterday.

DEATH TOLL MOUNTS IN PLANE ACCIDENT

By The Associated Press
SOUTH PORTLAND, Me., July 12.—The death toll in Maine's worst aviation tragedy reached 15 today, and seven of scores injured when a light airplane ploughed into a war workers' camp of 100 trailers and blew up, were reported in danger of dying.

Six of the dead and approximately half of the injured were children. Nine adults also perished.

The identified dead: Lt. Philip L. Russell, 23, of South Portland; and Staff Sgt. Wallace Milfin, of Seattle, Wash., the plane's crew; Edward A. Gerlach, 32, Orono shipyard worker; James Little, 44, Nancy Little, 2; Gordon Gorham, 42; and George Robertson, nine months.

Bodies of the other victims who were trapped in lightly-built homes and burned to death by flaming gasoline and oil-avalued identification at funeral homes.

The plane was from Barksdale field, La.

BRITISH EXECUTE SPY

LONDON, July 12.—Joseph Jan Van Hove, a former Antwerp waiter who arrived here from Belgium last Feb. 11, posing as a refugee, was executed at Pentonville prison today as a German spy—the 15th person to be executed in Britain for espionage since the beginning of the war.

Van Hove was convicted on May 24, at a trial at which he was charged he was sent to Britain by the Germans in an attempt to obtain information about allied plans for the invasion of western France. His mission was described as a complete failure.

Propose Paris Be Made Open City by Germans

By The Associated Press
MADRID, July 12.—The newspaper ABC suggested editorially today that Paris be declared an open city, since the allied forces in Normandy may soon be reaching the plain leading to the French metropolis.

ABC's Paris correspondent said the city was suffering from transport and food restrictions which can only increase until the allies reach Paris. Electrical consumption was sharply curtailed after allied bombings and Parisian sabotage and German requisitions left authorities no means of bringing coal to the city.

Today's Fifth War Loan Scoreboard in Marion County

Goal	\$3,365,000.00
Sales Yesterday	\$4,106.25

GERMANS LOSE 33 GENERALS IN MONTH

By The Associated Press
Allied communiqués and German reports showed today that 33 German army generals had been killed or captured—an average of almost one a day since the invasion of France June 6—on its western and eastern fronts.

Two-thirds of the number have been bagged by the Russians.

Three killed and 19 captured in sweeping advances bringing disasters on the Nazis' eastern front.

The allies in France have killed seven and captured three top commanders, including Rear Admiral Walter Hennecke, taken at Cherbourg.

Killed in an airplane crash, the nation not identified, was Col. Gen. Edward Dietl, commander of seven German divisions in Finland.

The first German general to die was artillery Gen. Eric Mackes, whose death was announced in Berlin June 13, a week after the allies landed in France.

Next in Normandy to be killed was Maj. Gen. Fritz Witt. Then the toll rose with Lt. Gen. Hellmuth G. Richter, Maj. Gen. Siegmund, Maj. Gen. McFall, and Col. Gen. Friedrich Dollman, commander of the German seventh army in France. Dollman was a victim of bombs.

At Cherbourg, besides Admiral Hennecke, the Americans took Lt. Gen. Carl Wilhelm von Schlieben, and Maj. Gen. Stettler.

Death came in Russia to Gen. Hans Pfeiffer, Martinek and Gubermann.

The Nazi commander captured by the Russians was General Walter Frey, commanding the 1st German army corps. Three other German generals—Lt. Gen. Müller, Maj. Gen. Ramm, Maj. Gen. Schmidt—survived the day before.

They already had been 15 German generals by the Soviets when Germany's military leadership.

Bountiful Wheat Harvest Fills Grain Elevators in Mid-West

By The Associated Press
KANSAS CITY, July 12.—The harvest, almost unbelievably bountiful, is rolling in.

Granaries, elevators and mills are gorged with the wheat. Railroads already overburdened and weighted down with war, chug wearily along with load after load of the grain.

And still the wheat piles up in bright, golden mounds—by the tracks and in the fields.

Representatives of railroads, mills, elevators, government agencies and the army met here today with Sen. Clyde M. Reed (R-Kans.) to decide how to solve the problem of plenty.

Reed said the chief worries were: (1) too few boxcars, (2) too few helpers to get the cars unloaded quickly and back into service.

One possible source of labor, Reed said, was the Army's Seventh service command at Omaha. He has telegraphed the command to ask how many prisoners of war would be available (Reed has heard there may be as many as 3,000) to help unload wheat.

"We have always regarded the normal loading capacity at Kansas City to be approximately 1,500 cars a day," Reed continued. "I am informed only about half that number actually are being unloaded. If that's true, we intend to learn why it is true."

He said that instead of finishing the wheat movement in 60 to 80 days, per for the course in a normal year, it may take six months or longer to handle this year's whooper crop, estimated at 382,000,000 bushels for the four-state area of Kansas, Oklahoma, Texas and Colorado.

Even as the meeting started, the transportation problem was easing somewhat. A special permit system—under which wheat shipping centers in Kansas, Oklahoma and Missouri were required to have a permit before shipping—and scattered rains in Kansas held yesterday's shipments down to 670 cars.

STILWELL'S FORCES UNITE IN BURMA

By The Associated Press
SOUTHEAST ASIA COMMAND HEADQUARTERS, KANDY, Ceylon, July 12.—Lt. Gen. Joseph W. Stilwell's campaign to root the Japanese from monsoon-drenched north Burma and drive a land supply route to China reached another minor milestone yesterday with the juncture of the Chinese 22nd and 38th divisions about seven miles west of Mozaung.

This freed the jungle-girt mountain area between Kamauing and Mozaung of all but isolated bands of stragglers. Headquarters said the road was cleared completely of organized resistance and that the Chinese had made local attacks at the beleaguered base of Myitkyina, last of three north Burma bastions still partly in Japanese hands.

Total Japanese dead in north Burma stand at more than 18,000 of which more than 10,000 were killed in May, June and July.

Considerable air activity was reported despite the monsoon. Americans bombed an airfield at Lashio, terminal of the Burma road.

ASKS ABOUT FIFTH TERM

By The Associated Press
WASHINGTON, July 12.—Congressman Clarence Brown, Blanchester, O., Republican, says President Roosevelt will seek a fifth term if elected a fourth time.

Brown, Republican national committeeman for the Buckeye state, said yesterday, "I have constantly believed that the President would be a candidate for a fourth term if he elected and served the four years he undoubtedly would be a candidate for a fifth term."

CIO BACKED TOBIN WINS NOMINATION

By The Associated Press
Tobin, 38, of Marion, Ohio, won the nomination for the U. S. House of Representatives in the 12th Congressional District at the Democratic primary election held here Tuesday night.

The election was held at the Marion High School gymnasium, and Tobin, a member of the Marion City Council, defeated several other candidates.

Tobin's victory was a significant one for the Democratic Party in Marion, as he is a well-known local figure and a strong supporter of the New Deal.

The election results were as follows:

Candidate	Percentage
William Tobin	58%
James H. Smith	22%
John A. Brown	15%
Robert L. Jones	5%

The election was held at 7 p. m. and the results were announced at 9 p. m.

BIRTHS

At the Marion Hospital, Dr. J. H. Smith, 125 S. Main St., reported the following births:

July 10—Mrs. J. H. Smith, 125 S. Main St., 1 boy, 7 lbs., 19 in. long.

July 11—Mrs. J. H. Smith, 125 S. Main St., 1 girl, 6 lbs., 18 in. long.

July 12—Mrs. J. H. Smith, 125 S. Main St., 1 boy, 7 lbs., 19 in. long.

AMREL F. SHUPP OF SUMMIT ST. DIES

Stricken at City Hospital After Suffering Stroke.

Amrel F. Shupp, of 360 Summit street, died in City Hospital this morning at 6:35 as the result of a stroke of apoplexy which he suffered yesterday. He would have celebrated his twenty-third birthday anniversary today.

Born July 12, 1871 at Broken-sword, O., he was a son of Benjamin and Lovina Gable Shupp, the father a native of Crawford county and the mother of Marion In Ju. 1893 he married Mabel VanGulsen who died in Massachussetts in 1940. A resident of Marion 40 years, he lived formerly in Cleveland.

Surviving are a daughter, Mrs. Robert Marcoux of Malden, Mass., and two sisters, Mrs. Annette S. Cullen and Mrs. Cora S. Cavanaugh of Marion.

Funeral services will be conducted Friday at 3 p. m. in the Merle H. Hughes mortuary on Mt. Vernon avenue. Burial will be in Marion cemetery. Friends may call at the funeral home after 7:30 tonight.

HOPE IS GIVEN UP FOR TRAPPED MEN

BELLAIRE, O., July 12.—The 66 men entombed since last Wednesday in nearby Pawlana mine were given up for dead today.

Nelson Hovey, assistant state director of industrial relations, announced all hope was abandoned for the coal miners yesterday after rescue workers failed in a final effort to contact them through a shaft three inches in diameter.

The vent was sunk from the surface to the spot 400 feet below where the men were trapped by fire. Earlier a nine-inch shaft was drilled nearby, but no response came to rescue workers' calls.

The high carbon monoxide content of air samples taken through the smaller shaft yesterday convinced officials that the miners were dead, Hovey reported.

The day after the fire broke out all mine entrances were sealed to smother the flames. Crews are cutting a shaft through a hillside to reach the victims, but it may take three weeks to complete the work, Hovey asserted.

Buzz Bombs Strike After Silent Glides

LONDON, July 12.—A scattering of flying bombs banged into southern England and the London area today as it was disclosed that some of the projectiles have been dropping silently in long glides that make them more difficult to escape.

After London had experienced its second successive raid-free night in the early daylight hours but this flurry was followed by another quiet spell.

One of the bombs which smashed a house and killed an occupant this morning came in a long, slow and silent glide. Witnesses described it as "almost like a feather." Ordinarily the rockets roar over the area in a steep dive as soon as the engine stops but in this case the motive power apparently ceased some distance from the impact point.

Bucyrus Man Dies in Willard Hospital

SPECIAL TO THE STAR
BUCYRUS, July 12.—Funeral arrangements are being made in Cincinnati for Andrew J. Larkin, state liquor inspector, who died in Willard Municipal hospital of a heart attack Sunday. He had gone to Willard on a business trip when he was stricken.

Survivors are the widow, a step-daughter and a sister, the two latter living in Kentucky. The Larkins made their home at 314½ South Walnut street here. Mr. Larkin was a world war veteran.

Eisenhower Gives Timely Warning War Not Yet Over

By DEWITT MACKENZIE
Associated Press War Analyst
General Eisenhower's warning that the war is not yet over is a timely one, as the Axis powers are still fighting and the Allies are still fighting.

However, there is certainly much to be learned from the report by the British Ministry of Information that the Axis powers are still fighting and the Allies are still fighting.

Conversations May Lead Turkey Into Conflict
By The Associated Press
ANKARA, July 11.—(Delayed)—Conversations are afoot here which may lead to Turkish participation in the war before the end of the summer.

It talks are between representatives of Turkey, Russia and Britain.

These conferences of the Soviet and British ambassadors and Turkish leaders, principally Premier Sakur Saracoglu, have been taken up at the point where the Cairo conference last year left Turkey's position within the United Nations undefined.

They must first surmount the bitterness created by Allied charges that Turkey failed to keep her word and the Turkish completely to equip Turkey for war as had been promised. Actual military talks can begin there.

POLITICS

(Continued from Page 1)
facing an otherwise relatively quiet day.

The governor has met in the last two days with three New England Republican congressional delegations.

Latest to discuss with Dewey a proposed international organization to maintain peace was Rep. Clare Boothe Luce, one of six Connecticut members of congress who visited the governor yesterday.

The Connecticut congresswoman, who recently was reported trying to bring Dewey and Wilkie together, was asked by reporters if international affairs were mentioned in the Dewey conference. She replied:

"It seems to be in the minds of all of us that there is a vast agreement in the party and the United States that America will, must and wants to join an international organization which will keep peace with other nations—and now I use his own (Dewey's) words—'by force if necessary'."

Over 1,000 Tickets Sold for Police Ball
Ticket sale for the police ball has passed 1,000. L. E. Reardon, president of Marion County Lodge of the Fraternal Order of Police, announced today. The annual dance, scheduled for Saturday night from 9 p. m. to 1 a. m. at the Hy-Way Ballroom, is sponsored by the lodge and proceeds will go into the lodge treasury.

Informal invitations have been issued to police and firemen in surrounding towns with the statement that their badges will serve as admission tickets.

Marion Miller and her all-girl orchestra from Akron, rated as one of the best all-girl bands in the state, will play for the annual affair.

RED CROSS SWIM COURSE UNDER WAY

100 Enrolled in Classes Conducted at Crystal Lake.

The two weeks' swimming course sponsored by the Marion County Chapter of the American Red Cross, got under way at Crystal Lake Monday with more than 100 children and adults registered in the morning afternoon and evening sessions.

Tonight will be a highlight of the course when J. F. Cooper, head director of water safety for the Eastern Red Cross area, is assisted by persons enrolled in the life saving instruction course will conduct a functional course of water safety training designed especially for pre-adolescents.

Equipment for the instruction has been loaned to the chapter by Camp Millard at Bucyrus. The class will wear G.I. uniforms and will be taught swimming fully clothed, and also how to disrobe in the water, to inflate a life preserver, to protect from drowning and other fears important to men in the armed forces.

The course will begin around 7 p. m. or shortly after and persons interested are invited to view the program.

Enrollments are still being taken in the day and evening classes. Ted Brownlee, chairman of the water safety committee and today. On the opening day 84 children were registered in the beginning class, eight in the junior and senior afternoon and evening life-saving classes and 15 in the adult beginners evening class.

The course for instructors, conducted by Mr. Cooper, is being continued through this week at Crystal Lake.

Berlin Not Surprised by Roosevelt's Plans

By The Associated Press
The Berlin radio said today in a broadcast designed for foreign consumption:

"Roosevelt's acceptance of a fourth term nomination for the presidential election has caused no surprise in Berlin political circles. It is stated here. The attitude of the German press has already revealed that Germany is not particularly interested in the problem of presidential elections in the United States, the more so since one is convinced here that military and political issues which are now at stake are not to be influenced by this or that President of the United States."

The Roman Catholic College of Cardinals, when complete, is made up of 70 members of whom six are cardinal-bishops, 50 cardinal-priests and 14 cardinal-deacons.

Montezuma, the Aztec ruler of Mexico, is reputed to have been so fond of vanilla he drank as many as 50 pitchers a day of a vanilla-flavored liquid.

Coal was used by blacksmiths of Greece and Italy some 300 years B.C.

Such glass cutting was done by hand with a diamond pointed instrument until the 19th century.

Wampum, the shell money of the North American Indians, was in two colors, dark purple and white.

PRESIDENT SEIZED. President Antonio Lopez of Colombia has been temporarily replaced as president of that country by Vice President Carlos Evarado who took over for him the duties of Lopez and several cabinet members by a military group of army officers, Lopez, who took office as the first elected president of Colombia in 1934, has survived two conspiracies against him since then. He went out of office in 1934, but was elected for another term in 1947.

The course for instructors, conducted by Mr. Cooper, is being continued through this week at Crystal Lake.

REPORT ROOSEVELT WILL BACK WALLACE

By The Associated Press
WASHINGTON, July 12.—President Roosevelt, having accepted in advance a fourth term nomination which long had been assured, was reported today to recommend—but not demand—a second term for Vice President Wallace.

The decision clinching the nomination ahead of time produced conjecture that Mr. Roosevelt probably would pass up a formal acceptance speech to the Democratic national convention, either in person or by radio.

Selection of a vice presidential candidate is the single major chore remaining for the convention starting a week from today in Chicago. Mr. Roosevelt is expected to lend a hand with it by nudging the delegates toward Wallace.

Four years ago, he refused to accept renomination until Wallace was guaranteed second place.

It looks like a horse race with Wallace in the pole position for his backers claim he is assured of 215 of the 553 convention votes required for renomination.

Plenty of opposition to the Iowa exists within the party, however, particularly in the southern elements. And Capitol Hill heard talk of organized campaigns for such other possibilities as senate Majority Leader Barkley and Supreme Court Justice William O. Douglas.

Wallace, just back from a trip to China and Siberia, is staying away from his office. But he is seeing numerous politically-minded people at his house.

He lunched with Mr. Roosevelt yesterday, soon after the latter's fourth term pronouncement, played a couple of sets of tennis in Washington's searing heat, but had nothing at all to say about his own political position.

He did issue a statement declaring Mr. Roosevelt's fourth term announcement "a great relief" to tens of millions of Americans and to hundreds of millions in the Allied world.

TOM MCGINNIS GETS LEGION CITATION

Representative to 1943 State Honored for Army Service

A special ceremony honoring Tom McGinnis, representative to the American Legion in Marion, took place Tuesday night at the regular meeting of the Legion at Post No. 123 at the Legion hall.

Once a year delegates from the various legions meet at a designated place and they serve for a short time as the representatives of the state and national officers. McGinnis was honored last year for his service to the Legion.

For this annual performance of the national American Legion, McGinnis was honored for his best group.

Mr. and Mrs. Ivan McGinnis, parents of the boy and a member of the local Legion, presented the citation to McGinnis.

Don Cheney, delegate to the ninth annual Boy State camp in June in Western Ohio, gave a report to the post on his trip and experiences while away this year. His mother, Mrs. W. H. Cheney, was present as a guest.

Delegates for the State Convention to be held Sunday in Newark include Jewell Barker, commander, William Arnold, J. MacDonald and J. A. Dyer. Delegates were also named for the state convention in Columbus Aug. 20-22. They are Mr. Barker, William E. Marks, Mr. McDonald and J. H. Moore.

REPORT ROOSEVELT WILL BACK WALLACE

By The Associated Press
WASHINGTON, July 12.—President Roosevelt, having accepted in advance a fourth term nomination which long had been assured, was reported today to recommend—but not demand—a second term for Vice President Wallace.

The decision clinching the nomination ahead of time produced conjecture that Mr. Roosevelt probably would pass up a formal acceptance speech to the Democratic national convention, either in person or by radio.

\$24,772,000 Building Plans Proposed for State Colleges

Associated Press
COLUMBUS, O., July 12—The Ohio state council, declaring that the state-supported colleges are lagging far behind the nation's postwar building program, today proposed a \$24,772,000 postwar building program.

Given the Ohio postwar planning commission, noted there had been "an almost complete lack of instructional building" on the campuses since 1929.

And yet, the period since 1929 has seen a persistent and continuing growth in enrollment, said Dr. Howard L. Bevis, president of Ohio State university and chairman of the council.

"The student population of Ohio State university increased between 1929 and 1943 by nearly one-half," he said. "The other member institutions had comparable increases."

The council said the universities compared favorably in 1929 with similar institutions in Illinois, Michigan, Wisconsin, Minnesota and Indiana, but by 1940 "were lagging far behind."

Prediction of Future

"No one knows how many students will be coming to these universities when the war is over," the report added. "An increase of 25 per cent over previous peak enrollments would be conservative."

The council proposed that the \$24,772,000—which must come from the legislature—be allotted in this proportion:

Ohio State at Columbus, \$12,684,000; Ohio university at Athens, \$2,355,000; Miami university at Oxford, \$3,173,000; Kent State at Kent, \$2,401,000; Bowling Green, \$2,251,000; Wilberforce at Xenia, \$923,000. This, the council said, would be on a basis of \$1,000 for each student.

Beyond that, the council recommended that Bowling Green and Wilberforce be granted extra money to bring them up to the standards of the other universities in the state. Seven hundred fifty thousand dollars was proposed for a science building at Bowling Green and \$200,000 for new facilities at the Xenia school.

The plan was recommended as a 10-year program, but the council urged it be got under way as soon as possible after the war.

Each school was given the privilege of spending its allotment as it deemed best. Projects included:

Ohio State—\$860,000 for additional library units, \$850,000 for a recreational building and \$850,000 for an auditorium.

Ohio University—\$660,000 for a new student center, \$220,000 for a hospital and \$200,000 to remodel the science hall.

Miami—\$400,000 for a physics and geology classroom and laboratory; \$390,000 for a biology and zoology building and \$325,000 to rehabilitate the power plant and industrial education building.

Kent—\$1,282,900 for dormitories large enough to house 600 men and \$511,800 for a new student union building.

Bowling Green—\$750,000 for a science building and equipment; \$500,000 to rehabilitate the heating and electric plant, \$300,000 for a laboratory and other equipment.

Wilberforce—\$300,000 for a library, \$150,000 for a girls' dormitory.

Highway Director Hal G. Sours submitted a program calling for \$360,000,000 in postwar work, but emphasized it was work that could be done gradually over a period of years as the economic picture unfolded itself.

"This may seem like a lot of money," he remarked, "but it can be done in parts and I am not saying at all that it must be done at once. This will be an investment, not an expenditure."

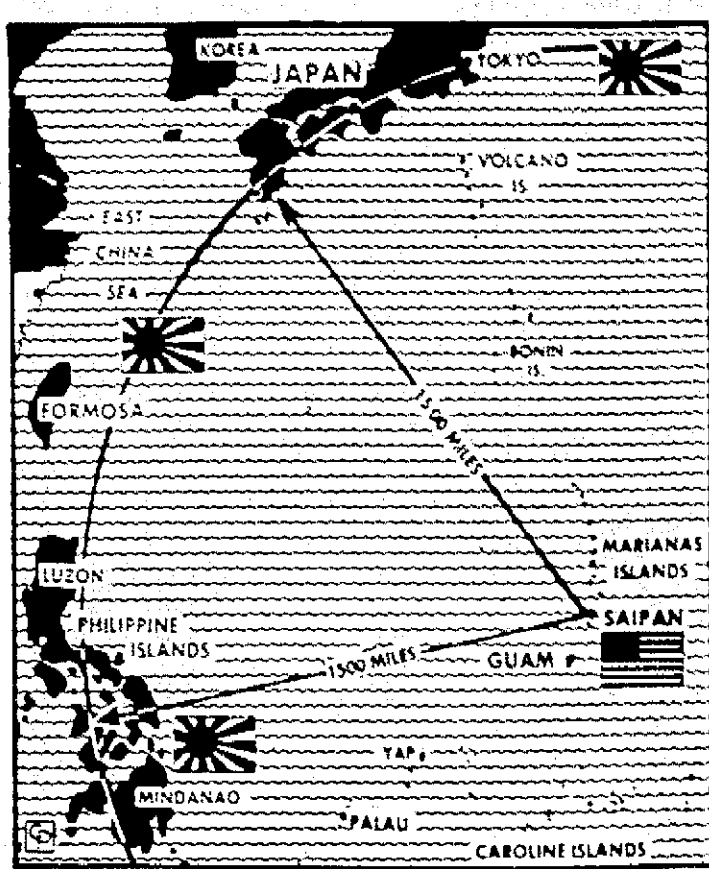

It would in time demonstrate "foresight and planning," he added.

"ADMIRAL" 17, ENLISTS
By The Associated Press
ALBUQUERQUE, N. M.—Louis Ray "Pat" O'Grady Jr., 17, is giving up command of a 246-ship "two-ocean fleet" to enlist in the Navy as an apprentice seaman.

His fleet consists of models, representing 16 nations, ranging from a three-inch model of a Turkish destroyer to a nine-inch model of the U. S. carrier, Saratoga. His pride is the new battleship South Dakota which he copied so minutely that the big guns can be elevated or depressed in realistic manner.

A high school junior, O'Grady builds on a scale of one inch to 100 feet, using balsa wood for the most part. He started his hobby five years ago when he and his parents lived in Long Beach, Calif.

A hormone spray has been developed to make apples stay on trees until mature.

SAIPAN—KEY TO JAP EMPIRE?

With the announcement of the end of organized Jap resistance on Saipan, Marianas, military experts believe that possession of the island by U. S. forces may prove to be the key that will open the way to the Jap empire. Equipped with airfields which need only repair and enlarging, Saipan provides a Superfortress

base only 1500 miles from Tokyo and the Philippines. Also within the bombing circle are numerous Jap island bases which can be reached with ease by American aircraft. Of further value are the island's harbor facilities. Our submarines can be serviced, fueled and rearmed there for still deeper penetration and longer patrol of waters around Japan's home ports.

NEWS FROM OUR BOYS

Charles E. Griffith, seaman second class, is spending a 10-day furlough with his wife, Mrs. Vivian Griffith, and daughters, Joyce Ann and Rita Jean of 242 North State street, and his parents, Mr. and Mrs. Earl Griffith of 275 Edwards street. He has completed his boot training at Great Lakes Naval training station and will return there on Monday for his next assignment. Before entering service Seaman Griffith was employed with The Star as a linotype operator.

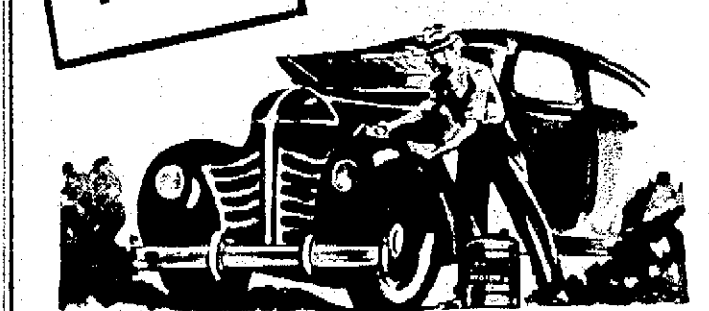

Sgt. Raymond Forbis, husband of Mrs. Vivian Forbis of 336 Hane avenue and son of Mr. and Mrs. Luther Forbis of 195 Silver street, took part in the D-Day landings in France, according to word received by his wife. Sgt. Forbis has been stationed overseas nearly two years, having been in Africa, Italy, Sicily and England. Before entering service he was employed at the Baker Wood Printing Co. Mrs. Forbis, the former Vivian Greer, recently received a dozen red roses from her husband on the occasion of their second wedding anniversary. Mrs. Forbis is living with her parents, Mr. and Mrs. Hugh Greer.

Miss Marlene Lust of 146 Lincoln avenue received a native grass skirt from her uncle, Norris "Pat" Dudley, boatswain's mate, second class, of the Seabees, stationed in the South Pacific. He has been overseas 12 months. He enlisted at Toledo where he made his home before entering the service.

Sgt. Tech. William O. Robertson Jr., stationed at Ft. Ord, Calif., and Pvt. Gerald W. Robertson, stationed at Greensboro, N. C., are spending furloughs with their parents, Mr. and Mrs. W. O. Robertson and sister, Eileen, of near Richwood.

Pfc. Ray P. Eager is stationed in France with U. S. troops, according to word received by his parents, Mr. and Mrs. J. H. Enger of 831 Bellefontaine avenue. The report stated that he is "all right."

He entered service over two years ago.

Reed Fetter, motor machinist, mate third class in the Navy, has been transferred from Ft. Pierce, Fla., to Camp Bradford, Norfolk, Va., with the amphibious force, 144 Superior street. He will be according to word received by his wife, Mrs. Reed Fetter of near Marion.

Pvt. Clyde E. Weatherbee returned Saturday to Camp Claiborne, La., after spending a 15-day furlough with his wife, Mrs. Gladys M. Weatherbee and family of 314 Clinton street. He has six weeks more of technical training with a railroad operating battalion.

Pvt. Harold Holcomb has returned to Camp McCoy, Wis., after spending an 11-day furlough with his wife, Evelyn Holcomb of 1034 Unapher avenue.

Ted Casmer Ryel of near Milford Center has been promoted from first lieutenant to captain, according to an announcement by the war department. Captain Ryel is with the air corps.

Mrs. Bernice Custer and son, Dwight, of 257 Unapher avenue have returned after spending 10 days visiting with her son, Donald Custer, yeoman second class, stationed in the legal office of an amphibious base at Norfolk, Va.

Cpl. Karl A. Pfeiffer has been transferred from Camp Forrest, Tenn., to Camp Gruber, Okla., according to word received by his mother, Mrs. Carolyn Pfeiffer of 559 Toledo avenue.

Mrs. Milda Gleason of Michigan avenue has received a delayed Mother's Day gift of roses from her son, Pvt. John H. Street, who is with the quartermaster corps in India.

Sergeant Donald T. Grice has been promoted to staff sergeant, according to word received by his wife, Mrs. Sally Grice of 348 Oak street and his parents, Mr. and Mrs. T. W. Grice of Bucyrus. He is in the office of the Air Corps.

Walter Eugene Johnson, radio technician first class, is spending his furlough with his parents, Mr. and Mrs. Walter W. Johnson of 144 Superior street. He will be returning Saturday to Boston, Mass.

Announcement of promotion and calls to active duty of two officers from Marion area have been announced by the war department.

Edward Michael Christensen of 218 East Ottawa street, Richwood, has been promoted from first lieutenant to captain. He is in the air corps. Second Lieutenant Fred William Neer of Milford Center has been ordered to active duty.

Willard M. Blair, aviation electrician mate third class, returned Tuesday morning to his base at the U. S. Naval Air station, Pearl Harbor, after spending a five-day leave with his mother, Mrs. Della J. Blair of 217 Cass avenue. Mrs. Blair has two other sons in service, Pvt. Everett Blair, stationed at Fort Dix, N. J., and Roy O. Blair, seaman second class, stationed at Ft. Pierce, Fla.

News of Our Girls
Robert Keeg and Jon Weaver of Marion have returned after a week visiting the latter's sister, Betty Weaver, hospital apprentice first class of the Waves, who is stationed at the Norfolk Naval hospital, Portsmouth, Va. She is a daughter of Mr. and Mrs. J. Milton Weaver of 427 Unapher avenue.

Chrome was discovered in Guatemala in 1916.

Way To Relieve Itchy Pimples
When your skin is irritated with pimples, red blotches and other skin blemishes, and you're crazy with itching, here's quick relief. Get a box of Paterson's Ointment at your drugstore and apply its delightful soothing balm. Itching relieved promptly. Smarting soothed. Your skin looks better, feels better. Also wonderful for itching of feet, cracks between toes. Try it—Adv.

Beekeepers
Near Richwood
Representatives of the Ohio Beekeepers' Association met at the Richwood Hotel last night to discuss the proposed new constitution and the election of officers for the coming year.

I found THE WAY
to an amazing NEW
VITALITY...PEP!

1—Promote the flow of vital digestive juices in the stomach
2—Energize your body with RICH, RED BLOOD!

These two important steps may help you to overcome the discomforts of indigestion, loss of appetite, nervousness, digestive complaints, weakness, poor complexion, etc.

A man who is operating on only a "half" healthy blood volume or a "half" healthy digestive capacity of only 50 percent, is severely handicapped. So, to get your digestive juices flowing again, RED-BLOOD you should get the best of well-being which comes from S.S.S. Tonic.

If you are subject to poor digestion or nervousness, or feel that you are "half" healthy, yet have no organic disease, or local infection, S.S.S. Tonic may be just what you need. It is a powerful blood-builder, and it is a powerful digestive stimulant. It is a powerful tonic for the blood and the digestive system.

Build Sturdy Health and Help America Win

Thousands and thousands of users have testified to the benefits S.S.S. Tonic has brought them. And scientific research has proved that the results that you get from S.S.S. Tonic build sturdy health—makes you feel like yourself again. At drug stores in 10 and 20 cent sizes. S.S.S. Co.

SCHOOL LIBRARIAN ENLISTS IN WAVES

Miss Moses To Report for Training on Aug. 10.

Miss Miriam V. Moses, librarian at Harding High school for the past two years has enlisted in the Waves, reports Chief John Dusan of the Navy Recruiting station, 198 South Main street. She was granted a leave of absence from the Marion city school system for the duration of the war and six months.

Miss Moses is spending the summer with her parents in Bessemer, Pa., until Aug. 10, when she will leave for Hunter College, New York to begin her basic Naval training.

Graduating from Teachers college, Clarion, Pa., with the class of 1942, Miss Moses holds a bachelor of science degree in education from that school.

Her brother, James Moses, is serving in the U. S. Navy.

American Second Corps.
Doughboys aren't supermen, none thinks he can whip ten Germans single-handed—any front line soldier would laugh down anyone who suggested it.

The German is termed a good soldier, a tough enemy. But, odds equal, the Yank thinks he is a better fighting man than the German.

Britain's Gen. Sir Bernard L. Montgomery before the invasion said that if the Germans were put on a piece of land and left there long enough, "it takes a bit of doing to get them off."

Although the Germans were in France for four years, Americans are doing that bit.

CONSTIPATION GONE WRITES INVENTOR!

"4 years, use convinces me nothing helps like **KELLOGG'S ALL-BRAN**"

This true incident may bring new hope to constipation sufferers. Read this unsolicited letter!

"Some of my friends were talking about a laxative ad in the Post, I cut it out and instead there's nothing like ALL-BRAN—and told them how it has helped keep me out of a condition I was in 4 years ago. Then they told me the ad they were discussing was an ALL-BRAN ad—they told me I should have a medal for spreading the good news about ALL-BRAN—which had helped these friends too." W. J. McLaughlin, 608 2nd No. St., Camden, N. J.

Scientists say, **KELLOGG'S ALL-BRAN** can really "get at" a common cause of constipation—lack of sufficient "cellulose" elements in the diet—because it is one of Nature's most effective sources of these elements. They work by helping the friendly colonic flora to fluff up and prepare the colonic wastes for easy, natural elimination. **KELLOGG'S ALL-BRAN** is not a purgative medicine—but a wholesome, gentle-acting, "regulating" food.

If you have constipation of this type, eat **KELLOGG'S ALL-BRAN** or several ALL-BRAN muffins regularly. Drink plenty of water. See if you don't cheer its welcome relief. Insist on genuine **ALL-BRAN**, made only by Kellogg's in Battle Creek.

defense transportation. The buses built by General Motors Corp. are expected to be delivered by Sept. 15.
The buses are larger and have more comfortable seats than the ones in service. They have a seating capacity of 35 more than the ones now in use. The buses are equipped with an engine at the front and a center axle. These conveniences make them a valuable addition to the fleet. The buses will be used for the hauling and unloading of goods. They will be yellow in color.

**ROTARY CLUB HEARS
TALK ABOUT HITLER**
Given by Toledo Man; New Officers Begin Duties.

Fern Underwood of Toledo, an insurance company representative, was guest speaker at a meeting of the Rotary club Tuesday noon at Hotel Harding. His talk, based on a speech at a recent convention, was on the subject of "The Low Down on Adolf Hitler."
Officers recently elected for the new Rotary year have taken over their duties. They are: Adrien Buck, president; W. Dexter Hazen, vice president; and Earl N. Hale, secretary. New members of the board of directors are Reuben A. Anderson, J. Howard Swink, and J. Wendell Wiant.
Guests of the club included: visiting Rotarians Ward Adams of Kent and G. S. Vickers of Columbus; L. King Dickason of Tulsa, Okla.; J. C. Gay of Gallon, W. C. Myers of Evansville, Ind.; and James E. Reed. Judge Hazen presided over the meeting in the absence of Mr. Busick. The program was in charge of George Albert, program chairman.

**Crestline Road
Work Awarded**
The contract for resurfacing .999 miles on the Shelby-Gallon road in Crestline was awarded to the Mansfield Asphalt Paving Co. whose bid was \$26,790, according to a release by the Associated Press.

ODD FELLOWS INSTALL
By The Associated Press
TOLEDO, O., July 12—Paul M. Highmiller of Springfield last night was installed as grand patriarch of the Ohio grand encampment, Independent Order of Odd Fellows. Other officers installed included: R. S. Roblitz, Dayton, grand high priest; W. G. Collins, Lebanon, grand senior warden; LeRoy Braun, Toledo, grand junior warden; V. H. Russell, Lebanon, grand scribe; Roland Bright, Logan, grand treasurer; Frank S. Culp, Mansfield, grand representative, and Carl Berger, Oberlin, grand trustee. Springfield was chosen as the site for the 1945 conference.

BONDS EVERYWHERE?
By The Associated Press
TOLEDO, O., July 12—Three city street division employees yesterday found \$495 in postal savings certificates and \$125 in war bonds while they were cleaning out sewers.

BURNS ARE FATAL
By The Associated Press
TOLEDO, O., July 12—George Kurta, 51, national account sales manager of the Libbey-Owens Glass Co., died in Mercy hospital last night of burns suffered Monday in a fire in his room at the Hillcrest hotel.

GEIGER RITES
GALION—Funeral services for Mrs. Charles R. Geiger, who died at her home Tuesday morning, will be held Thursday afternoon at 2 o'clock in the Snyder funeral home with the Rev. W. A. Martin, pastor of the First Presbyterian church, officiating. Burial will be made in the Marion cemetery.

TRACKS SELF TO JUG
By The Associated Press
COLUMBIA, S. C.—A federal revenue agent watching for the operator of a big illegal liquor still in Lexington county, heard a rustle in the bushes and quickly concealed himself.
A moment later a man glided into view, his eyes fixed on the tracks the "revenooer" had left. The man followed the footprints up to the hiding place and the revenue agent stepped out and made the arrest.

**Youngest Lodge
Head Installed**

**Poll Shows C. I. O. Backing May Cost
Candidates More Votes Than They Gain**

By GEORGE GALLIT
Director, American Institute of
Public Opinion
PRINCETON, N. J., July 12—While the CIO Political Action Committee is making a strong bid for political power throughout the country, there is reason to believe that its endorsement of a candidate may do more harm than good in a general election.
Although it is true that CIO endorsed candidates have scored victories in certain areas, throughout the country as a whole, a majority of all voters and a heavy percentage of those who say they are independent voters report that they are more likely to vote against a candidate than for him if he has the support of the CIO. These facts are brought to light in a recent nation-wide, cross-section survey in which voters were asked this question:
"If the CIO union supported a candidate, would you be more likely to vote for that candidate, or against him?"
The replies for the country as a whole are as follows:
More Likely to Vote For 10%
Against 53%
Would Make No Difference 20%
No Opinion 17%
Thus, while a candidate receives

National League Pitchers Baffle American Batters Who Lose 7 to 1

Seniors Rap McCarthy Hurlers for 12 Hits.

By The Associated Press

PITTSBURGH, July 12.—The National League pitchers baffle the American League batters today as Billy Southworth's Nationals celebrated their fourth win in the 12-year history of the league.

While the boys from Ford Field's record were rapping five assisted hurlers from Joe McCarthy's schedule for 12 hits, effective pitching by Ken Raffensberger of the Pirates and Jim Tobin of the Braves around last night's 7-1 demolition, the most lopsided score in the series.

Most of the 2,500 fans who helped boost the service bar and ball fund by \$100,000 were pleased with the sudden halt of the American League's victory march today as the Nationals celebrated their fourth win in the 12-year history of the league.

Southworth's winners adopted Cavarretta and Cooper. An old American custom in the National League is to have a "home run" in the first three innings. In the first three innings, Cavarretta had a home run, and Cooper had a home run. The only hit in the first three innings was a home run by Cavarretta. Huber Takes Second Place Tie

Huber moved up to a tie for second place with the Shovel nine last night by defeating General Excavator, 11 to 3, in an industrial softball league game. Huber scored the 11 runs on 10 hits. Six of their runs came in the first inning on four hits, one walk and two errors. Excavator collected five hits but only one hit was necessary for all three runs when Thompson hit a home run with two on in the fifth inning. Gibson smashed a home run with one on for Huber in the fifth inning also.

Fairfield found revenge last night for an 8 to 7 defeat in the first round by Commercial when they scored the Commercial nine to one run loss, 7 to 6. Hamilton was the winning pitcher and Millington the losing pitcher. Hamilton's victory was the first win for Fairfield. He issued twelve walks and struck out two.

The Shovel team has been pressing close on Cooler's heels for the industrial league lead and softball fans expect a real battle when these two clash for their second game tonight. In the first encounter Cooler caught the Shovel boys before they had moulded their players into the

powerful team they now are. Shovel hopes to reverse their first round defeat and force a playoff for the league championship.

In the Commercial-Excavator tilt both teams will be fighting to win an undisputed fourth position standing. These two teams are now tied for fourth place. East side fans will see a fine game when these two clash on the Garfield diamond tonight.

Games scheduled for tonight in the league are Marion Steam Shovel against Universal Cooler at Lincoln park. General Excavator against Commercial Steel at Garfield park, and Marion Metal Products against Waldo at the Metal Products diamond.

Industrial league standings are:

Team	W.	L.	Pct.
Cooper	3	1	1.000
Huber	3	1	.750
Shovel	3	1	.750
Commercial	1	3	.250
Excavator	1	3	.250
Fairfield	1	4	.200

Scores by innings of last night's games follow:

Team	R.	H.	E.
Huber	610	022	0-11 10 3
Gen. Exc.	000	030	0-3 5 4

Batteries: Huber, Millisor and Anderson; Excavator, Hecker, Myers and Cottrell.

Team Commercial 010 111 2-6 8 3
Fairfield 102 102 1-7 11 3

Batteries: Fairfield, Hamilton and Benner; Commercial, Gamble, Millington and Biggerstaff.

NEWARK WIDENS O. S. LOOP LEAD

With Newark's defeat of Marion last night, the Newark team's lead for top position in the Ohio State league was widened by one-half game. Middletown is still in second place, one and one-half games behind. Marion and Zanesville are now dual occupants of bottom place, being 13 games behind Newark. A Zanesville-Middletown game scheduled for last night was played as part of a double-header Sunday.

The score by innings of the Lima-Springfield game follows:

Team	R.	H.	E.
Lima	000	010	040-5 3 1
Springfield	130	200	003-6 10 3

Habenicht, Roberts and Fuentes; Lisztman and Dantes.

LEGAL NOTICE

Chester E. Berry, last known place of residence, Milan, Michigan, will take notice that on June 28, 1944, Winnie Mae Berry filed her petition against him in the Common Pleas Court of Marion County, Ohio, praying that she be divorced from him on grounds of Gross Neglect of Duty and Imprisonment in Penitentiary; that said cause, No. 27327 in said court, will be for hearing on or after August 9, 1944.

TOLEDO MUD HENS Newark Wins Last Game Of Series at Lincoln Park, 5-2 BEAT COLONELS AND ST. LOUIS BROWNS

BY BOB COCHERL
Marion Star Sports Writer

Climb to Virtual Tie with Louisville for Third Place in Association Race.

By The Associated Press

Toledo's Mud Hens had a large evening last night. First, they climbed into a virtual third-place tie with Louisville in the American Association race by nipping the Colonels 2-1; then they polished off the pace-setting St. Louis Browns of the American league, 6-4, in an exhibition contest.

Meanwhile, Milwaukee kept seven games ahead of second-place Columbus by trimming Minneapolis, 9-2, while the Red Birds were hammering Indianapolis, 15-4. The outcome of a scheduled double header between the Browns and the Millers was rained out as was a twin bill between St. Paul and Kansas City at the Blues park.

It took towering Sy Goodie of Toledo three weeks to do it, but he finally acquired his eighth win of the season by setting down Louisville with six hits. His opponent, George Diehl, tossed a five-hitter, but he couldn't stop the Brood from tallying the deciding run in the sixth.

The defeat left the Colonels only three percentage points ahead of the fourth-spot Mud Hens.

At Lamachia, first of two Toledo pitchers, received credit for the win over the Browns who used three hurlers with Jack Kramer charged with the defeat. The Browns counted all of their four runs in the ninth inning on five hits and an error.

Charley Sproull yielded seven hits as Milwaukee took the seventh-inning first game of the abbreviated twin bill with the Millers. Circuit clouds by George Binks and Tommy Nelson sewed up the decision for the Browns.

Although he was touched for 12 hits, Stan Partenheimer of Columbus had little trouble checking off his tenth victory. Johnny Wyrostek, the league's top hurler, banged three doubles to increase his season's total of two-baggers to 40.

Indians Won't Add Any Night Games

By The Associated Press

CLEVELAND, July 12.—Yesterday was a day for the favorites at North Randall's Grand Circuit oval, with straight heat triumphs recorded for every event on the program.

True Chief, a brown-coated pacer owned by Leo C. McNamara of Indianapolis and driven by Tommy Berry, made the first start of his career in the \$3,000 Fairmeade Farms stake for juvenile pacers and finished both whirls with a comfortable margin of a length and a half.

The Volomite-sired Portland was one of the longest winning shots of the meeting in his first start several days ago, and he came back yesterday to coast through in all three heats of the 20-class trot.

Silent Fox had the closest call of the day but managed to win both chapters of the 12 trot by the margin of a long neck.

Golf Tourney Set for Next Sunday

Scheduled for the coming Sunday at the Marion Country club is a golf tourney between club members and players of the Marion O-D links. Playing will start at 1:30 p. m. About 25 from each club are expected to participate.

Marion Star Sports Writer

League All-Stars will play the Newark Mountsman at Newark in the All-Star lineup will be Bill Brouk, shortstop and Red Bailey, pitcher, both from Marion.

Have a Coca-Cola=Let's relax a bit

...or a little minute long enough for a big rest

This year again, communities are growing vegetables. Hard-working gardeners grow tired and thirsty. Just three words, Have a "Coke", always sound like music at times like that. With ice-cold Coca-Cola in your refrigerator you are ready for the pause that refreshes at any time. Plan to have a supply on hand, ice-cold. Coca-Cola stands for the pause that refreshes,—has become a symbol of friendly refreshment to folks at work and at war.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY

MARION COCA-COLA BOTTLING COMPANY
309 North Main Street.

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

HERSHEY SAYS DRAFT POLICY MEETS NEEDS

By The Associated Press
NEW YORK, July 12.—Selective service director Lewis B. Hershey said today he believes the present draft age policy "will meet the demands of the future."

"So long as the demands remain at the present stage, the use of the over 30-year-old group would not seem necessary, but the answer rests on the war situation," Maj. Gen. Hershey declared in an address prepared for delivery before the Commerce and Industry Association.

He said that unless the military situation should take "unforeseen turns," maintenance and replacement would account for most of the future demands for men.

The present selective service policy, which Hershey reiterated, is to induct all possible able-bodied men under 26, to defer in the 26 through 28 group all "necessary men" in activities which local boards deem essential, and to defer all men over 30 in essential employment.

Hershey advocated universal military service after the war, saying that "never again must we lose peace because our citizenry is not prepared to provide national security."

NAVY'S TOP PILOT, Lt. Col. Alexander Vandegrift of Fort Chicago, Ind., called the "Joe Foss" of carrier fighter pilots, is shown aboard ship during operations off Salpan. During the big fight he got six Japanese planes in a few minutes with less than 300 bullets. His total score is 19 Nips downed, seven more than any other Navy pilot.

Drouth Is Broken in Northern Ohio

By The Associated Press
CLEVELAND, July 12.—Northern Ohio's prolonged drouth ended at noon today, one day short of a record of 19 rainless days set in 1936, when a heavy downpour started falling in downtown Cleveland. Meteorologist George Andrus reported the rain was a fairly quick pattern over the northern part of the state, but most areas are getting some precipitation.

The drouth had placed a severe strain on Cleveland's lake-supply water system, decreasing production in one major water plant, as city officials reported pumping facilities inadequate to cope with the increased consumption.

Mayor Frank J. Lausche and Councilman Emil J. Cronin, however, said the war production board may make two new pumps available to alter the situation and guard against a recurrence.

Troop Train Death Toll Mounts to 34 Today

By The Associated Press
JELLYCO, Tenn., July 12.—The death toll from a troop train wreck in Narrows, Ky., near here Thursday night rose to 34 today with the army announcement of the death of Pvt. Ray W. Parker of Trenton, O.

Parker's death in Oak Ridge hospital was the 31st fatality among army enlisted personnel, the engineer and fireman of the Louisville and Nashville train, and one yet unidentified body completing the list.

The L. & N. office here said investigation of the wreck was continuing but no conclusions had been reached. The federal bureau of investigation previously said there was no evidence of sabotage.

GLASSES COME THROUGH

By The United Press
RUSH CENTER, Kan.—This one sounds like a postwar dream! Mrs. Fred Bartel of Rush Center reports that after she ran the family wash through the electric machine, including three trips through the wringer, her husband found his glasses in the pocket of a pair of overalls that had been in the family laundry. The glasses, not in a case, were "unhurt and unbroken, even to a place which had been remended."

TRAPPER GETS JOH

By The United Press
GALLATIN, Mo.—Wolves are on the loose in Missouri—but, show down girls—this is different! Three Missouri counties have hired a government wolf trapper to meet a wolf menace to the livestock. The counties in the partnership are Daviess, Caldwell and Harrison.

CAREY—Mrs. Millie W. Payne of Carey received word of the death of her sister, Mrs. Emma Louise Sponseller, 63, which occurred June 27 at her home in Adrian, Mich.

ASHLEY—A family reunion, honoring Mrs. Evelyn Edwards of Ashley, was held at the home of her son, Frank Edwards, in Waldo Sunday. A basket dinner was a feature. Mrs. Edwards has nine children living, 38 grandchildren and 21 great-grandchildren.

CAREY—A son was born Monday at Findlay hospital to Cpl. and Mrs. John F. Fritchey Jr. He has been named John Roger. Mrs. Fritchey is the former Geraldine Simonis, daughter of Mr. and Mrs. John Simonis of Carey. Cpl. Fritchey is stationed at Washington, D. C.

GALION—Mr. and Mrs. Edwin Boutwell of Shelby are the parents of an eight-pound son born at Shelby hospital Tuesday morning. The mother is the former Mary Phipps of Galion.

CAREY—The annual Sunday school festival of Carey Methodist church will be held at the church Wednesday, July 26.

Arrange Funeral For Crestline Woman's Father

SPECIAL TO THE STAR
CRESTLINE, July 12.—The body of John J. Dunbacher, 80, who died at the home of his daughter Mrs. Elizabeth Gers Tuesday, was shipped to Cincinnati today where funeral services will be held Friday in St. Stephens Catholic church. Burial will be in the Calvary cemetery there.

Mr. Dunbacher has resided with his daughter here for several months. He was born in Cincinnati Nov. 25, 1863. Four daughters, two sons and one sister survive.

HEALTH QUIZ

Do you have poor digestion? ☐ YES NO
Do you feel headachy after eating? ☐
Do you get sour or upset easily? ☐
Do you feel tired—listless? ☐
Do you feel headachy and upset due to poorly digested food? To feel cheerful and happy again your food must be digested properly.

Each day, Nature must produce about two pints of a vital digestive juice to help digest your food. If Nature fails, your food may remain undigested—leaving you headachy and irritable. Therefore, you must increase the flow of this digestive juice. Carter's Little Liver Pills increase this flow quickly—often in as little as 30 minutes. And, you're on the road to feeling better. Don't depend on artificial aids to counteract indigestion—when Carter's Little Liver Pills aid digestion after Nature's own order. Take Carter's Little Liver Pills as directed. Get them at any drugstore. Only 10c and 25c.

CRESTLINE GROUP VOTES

To Purchase War Bond

SPECIAL TO THE STAR
CRESTLINE, July 12.—It was voted to purchase a \$50 bond in this Fifth War bond drive when the Woman's Benefit Association met Monday night. It also was voted to give \$10 towards the new sterilizer for Emergency hospital. A picnic for the junior members and their mothers at Kelly park, July 19 was planned. Mrs. Elizabeth Fettes the Junior supervisor will be in charge.

Mrs. Frank Shattner and Mrs. Otto Shealy were hostesses to the Woman's Missionary society in the social room in Trinity Evangelical Lutheran church Tuesday afternoon. Mrs. Charles Foster led the devotionals, presided for the business and conducted the lesson. Mrs. Ralph Shearer and Mrs. Clarence Shearer will be August hostesses.

LANDS IN RUSSIA

KENTON—T. Sgt. Aiden M. Reid, son of Mrs. Flossie Reid of Kenton, was one of the group of American Army Air Force personnel who made a recent 10-day stay in Russia on the first shuttle mission to the Soviet. The 15th AAF unit of which he was a part attacked a railroad yard and junction at Debreszen, Hungary, on their way to Russia, then operated from the Soviet base to make two more successful raids in Hungary and Rumania before returning to Italy.

Glass making, an ancient art, is thought to have originated in Syria or Egypt.
